Professional

Professional nebulizer for continuous use

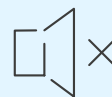

Ideal for:

Double valve system

Soft profile masks

Silent:
52 dBA

Nasal wash

Medel **Professional** is a professional nebulizer with an innovative compressor for a continuous use. Medeljet Plus valve has a “breath-enhanced” double-valve-system, granting high efficiency and minimum drug waste. It comes with a storage case, hygienically separated from the compressor, that can be used both as a container for accessories and for sterilizing them after use. Professional is fast, silent, with integrated handle and cable storage compartment; it comes with a complete kit of accessories including also MedelJet Rhino nasal wash and soft profile masks for the maximum comfort. Class IIa Medical Device.
